New Studies - February 2012:

1) Table Leaders: Marg Silvera/Jenn Martin

"BELIEVING GOD" by Beth Moore

DVD's only - workbooks are optional for individual study

If God is who he says he is and can indeed do what he says he can do, why are so many Christians living mediocre lives? Beth Moore thinks that there is a simple answer to this question: unbelief. Therefore, in *Believing God* she challenges us to take God at his word, believe his promises and, as a result, live fuller lives. Don't be afraid to set aside your unbelief and experience the great blessings of God's promises.

From Fall 2011:

1) Table Leaders: **Marg Silvera/Jenn Martin**

"JONAH - NAVIGATING A LIFE INTERRUPTED" by Priscilla Shirer

Sometimes it seems like God's timing couldn't be worse. We're either not ready for what He asks us to do, or we've been waiting for so long we have already given up. The last thing we want is an "interruption". What do we do when God interrupts our lives? Many times like Jonah, we run! Run from God! Run into God! Run with God! Or try to run God! Using the life of Jonah, Priscilla will redefine interruption and show that interruptions are actually God's invitation to do something beyond our wildest dreams.

This is a 13-week study with a short DVD every other week. Assignments strongly encouraged for participation, learning and spiritual growth. This study will take half of the year, from September to January. The second half of the year we will use the DVDs only to study "BELIEVING GOD - EXPERIENCING A FRESH EXPLOSION OF FAITH" by Beth Moore.

2) Table Leader: **Susan Bowden**

"BELOVED UNBELIEVER" by Jo Berry

This is a study for women who are married to an unbeliever, "unequally yoked", "spiritually single", or "surviving a spiritually mismatched marriage". Using the scriptural framework of life, "Beloved Unbeliever" shows how to love your husband into the faith and will reassure you that happiness is possible in an unequally yoked situation.

This is a book only study. This study will be for the full year. There is a small amount of homework. We will be taking time to pray each session.

3) Table Leaders: **Lindi Van Rooyen**

"DANIEL - LIVING LIVES OF INTEGRITY & WORDS OF PROPHECY" by Beth Moore

Daniel faced unbelievable pressure to compromise his faith in a hostile culture and was constantly confronted by threats and temptations; just like today's believers face similar trials. This study has a total of twelve sessions with six sessions dealing with the pressures and temptations we and Daniel face and six sessions exploring the prophecies God gave through Daniel, dealing with the end times.

This full year study will include DVD and book/discussion sessions. There is a large amount

of homework for Tuesday morning studies, however, NO homework is required for Thursday evening.

4) Table Leader: **Arlene Verbeek/Kathy Pajunen**

"THE STRANGER ON THE ROAD TO EMMAUS" by John R. Cross

What if there was a tool that could not only make sharing your faith less intimidating, but also help give you a better grasp of what you believe? A way to communicate the gospel in such a way that as you shared it, people's eyes would light up with an understanding of what Jesus Christ did for them? Ways to make what many see as a dusty old book come alive with meaning in their lives? By the end of the study you will have the foundation needed to understand the importance of Christ's death and resurrection. The logical teaching of this book is to help you build a better foundation of what the Bible is all about.

Little or no homework will be required.
